The trail system was built so ACL Property Owners and their guests can enjoy the natural beauty of the property. It is the intent of the Apple Canyon Lake Property Owners Association Board of Directors to supplement the statutes of the State of Illinois in respect to the operation of all motorized recreational vehicles upon Association property. These Rules and Regulations are not intended to allow what the state statutes prohibit.

Registration

- All motorized recreational vehicles that are to be on ACL trails must be registered annually and display a current ACL sticker on the center front of vehicle (front roll bar, window shield or front of hood panel so that the sticker may be clearly seen from another approaching vehicle or trail walker) and ID numbers as issued by the ACL Association Office. The ID number will be displayed on both the front and rear of the vehicle. The ID numbers may be placed directly on the front center hood or on a front license plate and will also be displayed on a rear license plate. Guest vehicles are not permitted.
- The registered owner will be responsible for the safe operation of the motorized recreational vehicle and be responsible for the activities of their guests.
- The vehicle operator, operating a motorized recreational vehicle, recognizes and agrees that he/she is using the trails at their own risk, and absolves ACL of any injury sustained while using the trails, regardless of the source or cause of the injury. Each operator must sign a waiver to this effect each year when their vehicle is registered. If under 18 years of age, their parents/guardian must co-sign.

Operation Limitations

- No person shall operate any vehicle in a careless or heedless manner or at a rate of speed greater than will permit in the exercise of reasonable care to bring the vehicle to a stop within the assured clear distance ahead.
- No person shall operate any vehicle in such a manner as to endanger the life, limb or property of any person. No racing permitted.
- No person shall operate a vehicle at a rate of speed too fast for conditions or as may be posted.
- All vehicles must stop at streets and roads, etc., and yield right of way to pedestrians, vehicles, or pedal bikes.
- Motorized recreational vehicles may make direct crossings over designated roadway crossings providing that the crossing is made as close as possible to a 90-degree angle to the roadway and only after coming to a complete stop and yielding to vehicles and pedestrians on the roadway.
- Motorized recreational vehicles are permitted on trails between the hours of 6:00 a.m. and 10:00 p.m. or one hour after the conclusion of an ACL sanctioned event. Use of headlights and taillights is required after sunset.
- No riding or operation on closed trails or in nonauthorized ACL areas.

Guest Use

- Any person, property owner or guest, operating a motorized recreational vehicle must complete a waiver and return it to the ACL Office prior to using a registered vehicle on the trail system. Waivers are available at the ACL Office and on the website.

Lawful Operation

- Operation of a motorized recreational vehicle on Association property including the trail system shall be limited to individuals:
 - Possessing a valid driver's license or permit of state of origin.
 - Attainment of 16 years of age.

Equipment

- ATV operators and riders are required to wear Department of Transportation approved safety helmets and eye protection.

I have read and understand the above excerpt from the ACL Rules and Regulations.
