

ACLPOA SUB-LICENSE BOAT SLIP PROGRAM

Sub-Licensors: Property Owner offering their assigned boat slip to the ACLPOA Sub-License Boat Slip Program.

Sub-Licensee: Property Owner sub-licensing from assigned owner.

All Sub-license transactions must be executed through the ACLPOA Sub-License Boat Slip Program administered by the ACLPOA Association Office. Boat slip sub-licensing not transacted through the ACLPOA Sub-License Boat Slip Program will be considered unauthorized.

Enforcement: On an annual basis and on an irregular schedule, all ACLPOA boat slips will be physically checked by ACL Security for valid boat-to-slip registration, looking for unauthorized sub-licensing. Unauthorized sub-licensing of an ACL boat slip will result in the license holder of record permanently losing their boat slip. Unauthorized sub-licensing of an ACL boat slip may result in the loss of lake privileges for the balance of the current calendar year for the sub-licensee (ACL annual boat sticker to be removed from all sub-licensee watercraft and all sub-licensee watercraft to be removed from Apple Canyon Lake common property).

To be in the ACLPOA Sub-License Boat Slip Program, you must be current with all fees due to ACLPOA. Property Owners must sign up for the Sub-license Program no later than the Friday prior to the Slip Assignment Day to participate in that event.

Sub-License Term: One (1) season, boat slip sub-licenses expire on December 31 of each calendar year. Sub-licenses may be terminated at any time by mutual agreement between the sub-licensor of record and the sub-licensee. The ACL Association Office is to be notified when sub-licenses are terminated prior to December 31 of the current calendar year. No fee refunds will be paid by ACLPOA for sub-licenses terminated early.

Sub-License Assignments: Sub-license slips in the program are open to all property owners. Sub-license slips will be assigned at the Slip Assignment Day, following the assignment of licensed slips. Property owners on the No Boat Slip Waiting List who have notified the office of their intent to sub-license will be the first to receive an assignment. Property owners not on a waiting list who wish to sub-license for any current year, may do so by notifying the office in writing of this request. Any remaining sub-license slips will then be offered to these property owners. If a property owner has been assigned a sub-licensed slip in past year(s), they may request the same slip if it is available. These property owners must submit a Sub-License Waiting List Application and attend the Slip Assignment Day to receive an assignment.

Sub-Licensors: To enter a boat slip in the ACLPOA Sub-License Boat Slip Program, the property owner must do the following:

1. After January 1 of the current year, the ACL boat slip property owner of record may notify the ACL office in writing that they want to put their assigned boat slip in the current year's ACLPOA Sub-License Boat Slip Program.
2. Boat slip fee, boat fee, and Boat Slip License Agreement must be received from sub-licensor on or before March 1, 2022.
3. If the boat slip is assigned (sub-licensed), and payment has been received from sub-licensee, three fourths (3/4) of the boat slip fee and one hundred percent (100%) of the boat fee will be refunded to the sub-licensor providing the sub-licensor has put in writing not to launch the boat during the current season. However, if sub-licensor plans to trailer his/her boat for the current season, the boat fee will not be refunded.
