AGENDA NARRATIVE - ADDENDUM

CATEGORY: NEW BUSINESS-RULES AND REGULATIONS
AGENDA ITEM: 11.5
SUBJECT: CHANGES TO RULES AND REGULATIONS

At this time, the 2013 edition of the Rules and Regulations does not make clear that property owners must also wear an amenity tag. In addition, because the section is a sub-section of the Guests article in Rules and Regs., it's not likely to be the first place some property owners would look to confirm whether they have to wear them. Therefore, a revision in sections and numbering of sections is recommended. This issue must be addressed expediently to try to prevent some issues that could arise between Security and property owners who might not be wearing the amenity tag in an area that requires they do so.

RECOMMENDED MOTION: APPROVE THE CHANGES TO THE RULES AND REGULATIONS AS ATTACHED, TO INCLUDE THE RE-NUMBERING OF SECTIONS.
