Memo: 2021-1

Topic: Rules & Regulations: Lake

Issue: Staff submitted amended Lake language to the Rules & Regulations Commission at their September 11 meeting. During the Fishing section discussion, it was decided that no fishing allowed at Nixon Beach needed to be added to the Lake section. This is already addressed under e) No fishing allowed within the designated swimming boundaries. Fishing is allowed off the docks at Nixon Beach.

From: Shaun Nordlie

Memo #: 2021-7

Topic: Cove Lease

Issue & Analysis: The lease for the current operators of the Cove, Jacky and Greg Jacobs, expires in February 2021. Jacky and Greg have done a good job of restoring the Cove back to a restaurant that Apple Canyon Lake can be proud of and owners enjoy visiting. Jacky and Greg want to renew their lease for two more years. They have accepted the same terms of the first lease so the only language that has changed in this lease are the dates. The original lease was prepared by Association legal counsel Keay and Costello and they have told Shaun that there is no need to review the new lease with no changes. The dates of the new lease will be February 2021 through February 2023.

Recommendation: To approve the lease with Jacky and Greg Jacobs of Elizabeth, IL to operate the Cove restaurant from February 2021 through February 2023.

Memo #: 2021-5

Topic: Approval of the Audit agreement

Issue & Analysis: The annual audit contract of the Audit for the Association expired in 2020. A new RFP was sent to five accounting firms in December. Of the 5 sent, we received four proposals. Although the Association has hired O'Connor Brooks of Galena for the past four years, we feel it is time to make a change in our auditing firm. The proposal from Catalano, Caboor & Company provided us with the lowest quote for the audit and the tax return. They also come highly recommended from Board Treasurer, Steve Borst.

Recommendation: To approve the agreement with Catalano, Caboor & Company of Lombard, IL. to perform the audit for ACLPOA for a three-year term.

Memo: 2021-8

Topic: Garden Club Little Free Library proposal

Issue & Analysis: The Garden Club of ACL, in efforts to promote literacy and a love of nature and books, proposes a Little Free Library for the Apple Canyon Lake community. A Little Free Library is a free book exchange. Patrons take books, read them, share them with a friend, bring them back or drop them off at another Little Free Library. The Garden Club will create the box, register it with littlefreelibrary.org, manage the installation, raise funds for books, if necessary, and maintain the book-sharing box.

The Garden Club of ACL recommends the southeast corner of the Gazebo Garden for the Little Free Library location. The library box would have dimensions of 17" x 22" x 14" on a 2-foot post. It will be painted with primary colors and have a garden theme. The cedar or composite box will have two shelves for book storage and a glass door. The Garden Club of ACL will commission an ACL resident/volunteer to build and paint the Little Free Library box.

The project will be funded by various Garden Club of ACL fundraisers and donations.

Recommendation: To approve the Garden Club's request to install a Little Free Library Box at the SE corner of the Gazebo Garden.
